Here's the Deal:

\$89 for advanced K9 (dog urine) treatment and service down to the carpet backing with high intensity luminescent (black) lighting for 1 large area or room & Hall. <div id="coupon3">

This advanced service includes urine shock treatment to break down and remove urine (uric) salt crystals, thorough cleaning to flush dissolved urine out of carpet and backing, apply vacuum absorption compound to carpet, and backing, to absorb urine wicking while drying. Apply safe natural discouragment treatment to carpet. Luminescent lighting to Fluoresce (make hidden urine visible) used when applicable.

Our urine shock treatment removes severe urine no one else can.

Fine Print:

Service must be performed during normal business hours. Move in/out restrictions apply. Standard Cancelation policy applies.
